**Immediately following qualification at the competition, a qualified rider/owner must take the horse's original passport to the secretary of the competition to be checked. The passport must be correct with the same name and address of horse and owner as on the Search for a Star entry form. Failure to comply with this ruling will mean disqualification.**

The onus is on the exhibitor, rider and owner to ensure that they meet the criteria of Search for a Star. Organisers of the competition will not be held responsible for any advice given regarding eligibility.

Baileys Horse Feeds will be in attendance at the 2018 Search for a Star and Racehorse to Riding Horse qualifiers, having enjoyed such positive feedback in 2017.

They will bring a weighbridge and be available for free, no obligation weighins and practical feed advice to help riders fine tune horses' diets for optimum condition and performance.

Baileys Feed Advisors will also be delighted to discuss any of the competitors' horses, including those not there on the day, and be happy to make appointments for yard visits too if requested.
